

SPONSORSHIP Options

We would like to thank you for taking the time to consider sponsoring the Tempe Sol and Aztec Lacrosse Club. Lacrosse is the fastest growing sport in both the country and Arizona. Our players range in age from 6 to 18. With lacrosse not being an AIA sanctioned sport, schools do not help cover the expense associated with playing. The financial burden is left solely to the players.

Your Sponsorship will help us cover the cost of fields, referees, lights, insurance and equipment but, most importantly it will help offset the expenses for our families and cover scholarships for children who can't afford to play without your generosity. Your sponsorship makes a difference!
